Director of Golf — Carter Gerwitz

Dear Members,

2024 has sped by and 2025 is now just around the corner. Course conditions have never been better, and we were able to complete several capital improvements with more on the way. We have several projects that still need to be completed, and we will continue our trend of improvements into the future! Please know that we could not have accomplished this without your loyalty, support, and patience. All of the staff thank you for being members of the Club and appreciate the time you spend here with us. Know that we try to maintain a lower dues structure while still providing a high-quality service. As you know, operating costs have increased exponentially in the last four years, and they are continuing to rise. To help offset the increases, we are implementing a slight increase to membership dues, capital dues, and professional services, effective January 1st, 2025. Check page 4 to see the updated dues and professional services for 2025. For those of you who have prepaid 2025, your rates are locked in! Cart fees will not see an increase until the new fleet arrives next spring/summer.

In other news, this holiday season you again have the opportunity to thank the staff at Wildwood Green for their hard work over the past year by donating to the Employee Holiday Fund. The donation box can be found inside the clubhouse on the golf shop counter and is a great way to thank our exceptional employees for a year of hard work. Everyone from maintenance to outside services will be included in the distribution and every contribution is greatly appreciated. Please be sure to fill out a donation ticket with your name (no need to record the amount given) so that we can say thank you! Save time and call in your donation. We can easily take a credit card payment over the phone. Feel free to call us or send an email to teetimes@wildwoodgreen.com.

Please email me at carter@wildwoodgreen.com with any questions, comments, or concerns.

The 2025 Events Schedule is now live on the website. Please review the dates and start marking calendars. We look forward to seeing everyone at these events.

Superintendent — Rick Durham

As we enter fall and winter, this time of year brings the potential frost delays. A frost delay will occur when frost forms on the turf canopy (putting surfaces) and temperatures are near or freezing. Turf can sustain injury simply by walking across frosted areas. When this occurs, it can be months before the injured area will recover or begin repair. During this time of year, no course setup will be completed until the frost has melted on the turf canopy. Once the conditions are safe for the putting surfaces and other areas of the golf course to begin maintenance the team will expedite course set up and release play. Fallen leaf cleanup can be a slow process. The maintenance team is working daily to complete leaf cleanup. Just as it takes months to recover from frost injury cart traffic damage on dormant Bermuda can take even longer. There will be more projects that will be underway this month. We will continue renovating bunkers, removing trees, limbing trees and tee renovations. I would like to thank everyone for the positive comments and encourage everyone to fill out comment cards. Comment cards are an excellent way for us to hear your comments and continue to improve key areas. As always, I can be contacted via e-mail at rdurham@wildwoodgreen.com

Golf Shop Updates

This holiday season you again have the opportunity to thank the staff at Wildwood Green for their hard work over the past year by donating to the Employee Holiday Fund.

The donation box can be found inside the clubhouse on the golf shop counter and is a great way to thank our exceptional employees for a year of hard work.

Everyone from maintenance to outside services will be included in the distribution and every contribution is greatly appreciated. Please be sure to fill out a donation ticket with your name (no need to record the amount given) so that we can say thank you!

Save time and call in your donation. We can easily take a credit card payment over the phone. Feel free to call us or send an email to teetimes@wildwoodgreen.com.

The Golf Academy at Wildwood Green

November 2024 Newsletter

We have completed another very successful year of programming for over 500 adults and juniors through the Operation 36, PGA Junior League and Get Golf Ready programs. We are planning for 2025 and will have information posted on the Academy webpage, raleighgolflessons.com, by mid December.

Our private lessons continue all year around. Playing better golf in 2025 demands attention to those elements of your game that need improvement NOW! Our staff of PGA Teaching Professionals and Associate Teaching Professionals are ready to help you customize an improvement program to fit your needs.

Our PGA Teaching Professionals, including 2021 Carolinas PGA Teacher of the Year Jimmy Hamilton, all have over 25 years and up to 44 years of experience teaching and coaching golf. Contact your professional of choice by going to our Instructors page on the website to see our bios and contact information.

HOLIDAY VALUE ADDED GIFT CERTIFICATES ARE BACK! Now through December 31, 2024, go to the Gift Certificate section of the webpage, choose the value added package you desire for yourself, friends and family, go to the Shop page and purchase the base package. We will take your purchase, add the extra value to the Gift Certificate and either mail or leave the completed Gift Certificate in the Golf Shop for you to pick up. We can customize a package for you if you do not see what you may wish to have. Watch for some Flash Sales along the way as well. These gifts do not expire and can be used at any time in the future! Go to raleighgolflessons.com for these purchases!

Member Accomplishments

Jason Paroly Hole-In One!

Big month for hole-in ones at Wildwood Green this October. Paroly led the pack with taking on and conquering number 4. From about 175 yards out and with a pure 5 iron, Jason carded everyone's favorite number in golf a 1. If you see Jason around the club house be sure to tell him congratulations.

**If you have an accomplishment you'd like to share,
please send it to carter@wildwoodgreen.com!**

Member Accomplishments

Bake Baker Hole-In One!

17 is often a deceiving hole, it doesn't play long but at times the wind can be tricky to navigate and the contours of the green can make shot placement a premium. Bake stepped up to the plate with a nice 56 degree and from 112 yards out and was able to hit nothing but cup for a 1. If you see him around tell him congratulations.

**If you have an accomplishment you'd like to share,
please send it to carter@wildwoodgreen.com!**

Member Accomplishments

Matt Weidig Hole-In One!

Playing at Wildwood can really improve your game and make traveling to other course to play a lot easier. Matt Weidig reinforced this by traveling to Pine Hollow and getting a road win on hole 3. If you see him around tell him congrats.

**If you have an accomplishment you'd like to share,
please send it to carter@wildwoodgreen.com!**

Golf the life time activity

A lot of kids who play golf all get their start the same. They start playing with their parents. What is special about golf is that life goes on and time passes we can always find those moments that bring us back. In the photo above, Denice spent some time with her mom on the putting green at Wildwood. Click the image above to see Denice's Mom sink one from way outside gimme range.

**If you have an accomplishment you'd like to share,
please send it to carter@wildwoodgreen.com!**

Winter Play

Tuesday and Thursday Play is a lot of fun! You can work on your game and/or acquire a GHNN Handicap.

Sign up each week by Sunday and Tuesday, 2:00 pm respectively.

Congratulations to Carol Hauser and Margo Madsen for winning the 2024 Wildflowers Member / Member. In second place was Diana Repanich and Susan Dubois. Roxanne Hicklin and Diane Rupert came in first place for Low Gross with a 70. It was a beautiful day with lots of Birdies, Chips in & fun for everyone!

Orange & Black Event

Was the last organized 2024 event for the Wildflowers. There was 12 ladies who turned out for a 3 team event. Laura Ross was hot! She had 2 birdies and the only chip in to win the pot. The team of Margo Madsen, Laura Ross, Denise Short and Pam Peroutky won. Need less to say, everyone had a great time.

WildFlowers Newsletter

2025 Wildflowers Secretary and new Newsletter Editor

Pam Peroutky, Wildflower Volunteer

Growing up in Cincinnati, Ohio, I never really participated in competitive sports. My athletic endeavors were limited to casual tennis matches with my best friend at the local community courts and the occasional round of miniature golf, where I relished the silly windmills and colorful obstacles. Golf wasn't even on my radar until I married my hus-

band, Tom.

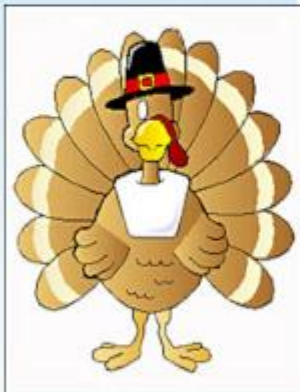

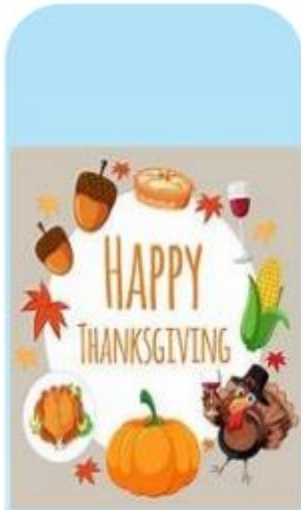

Once our daughters were old enough to stay home alone, Tom unearthed the golf clubs he had tucked away years earlier out of frustration and I invested in a \$100 beginner's set. We started to carve out time each week to play nine holes at various city courses on the flat prairie lands of Lafayette, Indiana. *A worm-burner can roll far on flat land.* As we navigated the courses, I found that golf was more than just a sport; it was a chance to laugh at our mis-hits, to celebrate small victories, and to create cherished memories under the sun.

When I first became an elementary school principal, my superintendent, Sister Lois Ann Meyers, welcomed me with open arms. She quickly took me under her wing, introducing me to the finer points of golf etiquette so that we could play together at local school fundraisers. Before long, she invited me to join a 9-hole league she loved. For years, my regular foursome included two nuns—Sister Lois Ann and Sister Rosemary, another principal—along with my husband, Tom, and me. On the course, we made far more laughs than pars, filling those rounds with stories, teasing, and occasional cheers for a rare, lucky shot.

After my husband passed away, moving to the Chicago area to be closer to my daughters was a bittersweet transition. Joining a golf league in Naperville turned out to be a wonderful way to meet new friends, giving me a sense of community and a comforting new routine. Now, as a member of the Wildflowers in Raleigh, I'm embracing the challenge of my first 18-hole league. The course's undulating landscape has added a whole new challenge to my game.

Golf has always been a social experience for me—a chance to be outdoors, stay active, and soak up the sunshine. While I'm out on the course, I'm fully present, free from the mental to-do list that usually waits at home. The joy I feel while playing golf today is the same simple enjoyment I found years ago with miniature golf.

Pam is the new editor of the Wildflowers Newsletter. I want to thank her for volunteering for this job. Big Thank You to Diana and Carol for organizing a very successful year for us and the entire Wildwood Green staff for helping us through it all. See you on the course, Peg.

Where Champions Play!

Course Etiquette

There are many aspects involved in maintaining a golf course. The superintendent has the biggest role to play, but there is immense responsibility on the members and players of the course to maintain its status and improve overall conditions. The upkeep the players on the course have during their round makes the job of the superintendent easier on a day-to-day basis and will improve conditions in the long run. Do your part to ensure that our course continues to improve and be the best course it can

Champions Grille Hours: Monday – Sunday: 9:00am – 6:00pm

Colder Days are on the Way!!!

Frost Delay Policy

Wildwood Green Frost Delay Policy:

When the overnight temperature drops below freezing, there is a potential for a frost delay. If there is frost on the course the Superintendent will let the Golf Shop know what the revised starting time for the day will be as quickly as possible, and we will inform you of any updates via E-Communication.

Once the Superintendent gives the Golf Shop the "all clear" to begin play, we will implement a forward shotgun for all play at and before the new starting time. We have a 45-minute minimum notification time, so if we get the go-ahead to open the course at 9:00am, the shotgun will begin at 9:45am to allow golfers time to get to the course.

Things to Keep in Mind:

- If frost on the course is ignored and regular play commences it will cause damage to the playing surface and make the grass susceptible to disease and weeds.
- Frost Delays also apply to the practice greens. We don't want to damage those!
