Exciting Updates: January Success and Looking Ahead!

We're thrilled to report that the launch of our new Online Golf Shop has been a tremendous success! The shop has allowed us to expand our offerings and provide members with even more premium boutique brands, customizations with Wildwood Green logos, and a variety of accessories. With both exclusive and popular brands available, we've received fantastic feedback, and we're excited to continue offering this expanded selection year-round. If you haven't already, be sure to check out the shop through the "Golf Shop" tab on our website!

Driving Range Upgrades: A Big Hit in 2025

The new range card system is off to a great start! We've seen a positive response from members with the transition from codes to swipe cards, making it easier than ever to access range balls. Unlimited balls members now enjoy seamless access, while guests and other members can quickly swipe a card at the machine. Additionally, the updated targets and bag stands are soon to be a hit, enhancing everyone's driving range experience. If you haven't gotten your range card yet, get it now!

Streamlining Signups: A Smooth Process for All

We've also received a lot of positive feedback on the transition to online signups for Gaggle, WildFlower, and WildOats! It's been a huge success in making the process easier for everyone. You can now sign up quickly and conveniently online through our website. As we continue to improve, we're excited to bring this modernized signup experience to more events in the future, including MGA, Medalist, and tournaments.

Thanks to all of our members for your support as we continue to enhance your experience at Wildwood Green!

Director of Golf — Carter Gerwitz

Hours Update:

Friday-Sunday shotguns will continue until the time change in March which is at 2:00 AM on the morning of March 9th. After that, we will switch back and host tee times each day of the week. Our range hours will change this month. Our last bucket of balls will be sold at 5:00 PM Monday-Saturday and at 3:00 PM on Sunday. The driving range will have a hard closing time of 30 minutes AFTER the last bucket is sold. Sundays we perform a clean pick of the range so we appreciate your understanding of the earlier closing time.

Waitlist Information:

As you all know very well, tee times can be competitive and tough to get for some. Myself and my staff work diligently to keep the tee sheet as clean as possible and ensure everyone who desires a tee time get's one. We continue to have openings available in our shotguns and no one on the waitlist to call. If you look online 15-7 days out and don't see anything, don't give up! Call or email the golf shop to get your name on the waitlist, you have a really good chance of getting your desired tee time. Many times when people tell me they are NEVER able to get a tee time, I ask them "Do you ever call or do you just look online?". The common response is "Oh I just looked online 10 days before and didn't see anything". GET ON THE WAITLIST, we cannot book you a tee time if we do not know you are looking for it. Please email me at carter@wildwoodgreen.com with any questions, comments, or concerns.

Superintendent — Rick Durham

The start of 2025 has been challenging for golf, with severe frigid conditions impacting the course. Our maintenance team at Wildwood has been working diligently to protect our greens during this time. When temperatures are forecasted to dip into the low twenties or below, we take precautionary measures to safeguard the turf. The hardest conditions for our putting surfaces occur when daily high temperatures don't rise above freezing, which unfortunately was the case throughout January.

To protect the greens, we've used covers on several occasions and took extra steps to shield them. For our shaded and more vulnerable greens, we added pine straw for added insulation. We greatly appreciate your continued support and remain hopeful that spring-like conditions are on the horizon.

Despite the tough weather, the maintenance team has stayed productive. We're in the process of preparing equipment for the upcoming season, with all machinery being serviced. Additionally, the shop and maintenance yard are being organized for efficiency. We've also ordered new flags and flagpoles, along with a few other accessories.

At the moment, no major projects are underway, but once the weather improves, we'll focus on tree work and expanding tee boxes. Thank you for your feedback and suggestions. As always, feel free to reach out to me directly at rdurham@wildwoodgreen.com.

1st Assistant Golf Professional — Drew Moore

Dear Members,

We're kicking off 2025 with our first member event on **February 15th!** Join us for a fun and competitive **Trifecta** format, where you and your partner will tackle 18 holes in three exciting formats:

- 6 holes Best Ball
- 6 holes Scramble
- 6 holes Alternate Shot

Optional Hat pool: \$20 Cash paid on the day of play

If you haven't signed up yet, be sure to call or email the pro shop before the spots fill up!

Also, don't forget to register for the **Monthly Medalist Game** on **February 23rd.** The entry fee is just \$15, payable in cash on the day of play.

While you're at the club, stop by the pro shop to check out our latest arrivals! We've just received custom TaylorMade hats, along with a fresh shipment of FootJoy polos and vests perfect for your next round.

Our next member event of the year is coming up on **March 15th,** and we're excited to welcome up to **120 players!** The event will feature a **Texas Scramble** format:

- Each of the four players will tee off.
- The team will choose the best tee shot, and then each player will play their own ball from that spot for the remainder of the hole.

The tournament on March 15th affects tee time booking on Friday, February 28th. No tee times available until 3:00 PM on March 15th.

Sign-ups will open on February 16th, so be sure to mark your calendars!

Looking forward to seeing you out there!

The Golf Academy at Wildwood Green

February 2025 Newsletter

As we look forward to warmer weather, the winter doldrums are quickly replaced by the excitement of getting back into the swing of golf. Our team of PGA and Associate Teaching Professionals is ready to help you get your game back to mid-season form. To schedule your spring training, visit our website, raleighgolflessons.com, where you'll find an "Instructors" page with our bios and contact information.

Also on our website, you'll find the "Adult and Junior Operation 36" page, which includes dropdown options for Winter Skills classes for juniors, PGA Junior League, Get Golf Ready for adults, and more! Registration for the Spring Semester of Operation 36 is now underway for returning families via email. Please reach out to Jimmy Hamilton at hamgolf4u@gmail.com for all program details, including policies, guidelines, tuition, registration instructions, and class selection for the upcoming semester.

This month, we're excited to roll out our Clubfitting program, with appointments available for personalized fittings. Each session includes a pre-fitting questionnaire, screening with our shaft optimizer, and launch monitor-based fitting. We're expanding the number of companies available for fittings, giving you more options to find the perfect fit. For beginners, it's important to get fitted for at least one club to help enhance your learning experience, and from there, we can add additional clubs to complete your set. This new approach is designed to help beginners start off on the right track.

To get started, make an appointment with Jeff Robinson or Joe Mullen, or consult with any of our staff members.

Grille Manager – Sunshine Stogner

Hello February and goodbye freezing temps!!
Welcome the month of LOVE!

Come check out the new items on the menu!
WINGS are back, along with
several different new choices!

We will be having daily specials, sent out on clubster and

Course Etiquette

There are many aspects involved in maintaining a golf course. The superintendent has the biggest role to play, but there is immense responsibility on the members and players of the course to maintain its status and improve overall conditions. The upkeep the players on the course have during their round makes the job of the superintendent easier on a day-to-day basis and will improve conditions in the long run. Do your part to ensure that our course continues to improve and be the best course it can.
